

IN THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application.

Claim 1 (original): A gift comprising:

a substantially opaque container and a substantially opaque lid that engages the container wherein the container and lid resemble a pharmaceutical package;
at least one surprise item disposed in the container; and
written material that accompanies the container, wherein the written material has an interplay with the at least one surprise item in the container.

Claim 2 (original): A gift in accordance with claim 1, wherein the written material is applied directly to the container.

Claim 3 (original): A gift in accordance with claim 1, wherein the written material is on at least a label attached to the container.

Claim 4 (canceled)

Claim 5 (original): A gift in accordance with claim 1, wherein at least some of the written material is on at least a label attached to the container and at least some of the written material is on at least a bag in which the container is placed.

Claim 6 (original): A gift in accordance with claim 1, wherein the container is or resembles a light-sensitive pharmaceutical bottle.

Claim 7 (original): A gift in accordance with claim 1, wherein the lid and container have compatible locking structures that engage when the lid is rotated relative to the container.

Claim 8 (original): A gift in accordance with claim 1, wherein the lid and container have compatible snap-fit structures.
